

TO START/STOP GAS SERVICE

Start Service

Natural Gas Service

If your home is **already set-up with natural gas** you will need to contact our Customer Service Department at **(727) 562-4600** to transfer the names on the existing natural gas account.

If your home is **not set-up with natural gas** and you're interested in natural gas service, you will need to contact our Gas Sales Department at **(727) 562-4980**, to inquire if your home is located near a natural gas main.

Propane Gas Service

If your home is **already set-up with propane gas*** you will need to contact our Customer Service Department at **(727) 562-4600** to transfer names and/or set up a propane gas account.

**Note: existing tank must be a Clearwater Gas tank – per company policy: Clearwater Gas will not fill a tank that belongs to an alternate propane company.*

If your home is **not set-up with propane gas** and you're interested in propane gas service, you will need to contact our Gas Sales Department at **(727) 562-4980**.

Stop Service

If you are sure you want to stop/cancel the natural or propane gas service account, please contact our Customer Service Department at **(727) 562-4600**, to cancel gas service (*have your account number handy before calling*). *Note: A turn on fee applies if a homeowner chooses to re-instate the natural/propane gas service after the service has been requested to be disconnected.*

Transferring Name on Gas Account (*applies to newly constructed gas homes*)

Please contact our Customer Service Department **(727-562-4600)** at least five business days prior to your scheduled move-in date to transfer the name from the home builders' name to the new homeowner's name.

For Commercial Gas Accounts

Please contact Customer Service at **(727) 562-4600** to initiate or discontinue gas service.
