We're excited to share some important news about the future of Clearwater Gas System (CGS). The city of Clearwater originally formed CGS in 1924, serving customers in the Clearwater and surrounding areas. Today, we proudly serve 17 cities across portions of Pinellas and Pasco Counties.

As part of our continued commitment to exceptional customer service, innovation, and growth, we are rebranding as CGS Energy. This transition reflects our evolution into a modern regional utility, one that embraces progress while staying true to our core mission of delivering safe, reliable, and affordable energy.

At the heart of this transformation is our vision:

BE THE ENERGY PROVIDER OF CHOICE

Why the Change?

Our new identity, CGS Energy, better represents who we are today and where we're headed. It highlights our investment in innovation, our commitment to sustainability, and our focus on creating a more accessible and customer-friendly experience.

What's Changing?

You'll begin to notice:

- A new name and logo: CGS Energy
- A refreshed color palette and updated brand style
- A redesigned, user-friendly website

- Our unwavering commitment to safety, reliability, and community
- Our focus on you, our valued customer

What This Means for You
